The main directions of InterCarto-InterGIS 20

Sections:

- GIS and cartographic support environmental, economic and social aspects of sustainable development and globalization challenges
- Mobile geographic information systems
- Virtual geographical environment
- Geoinformatics and public participation in the protection of environmental and risk management
- Spatial data infrastructure
- Standards, interoperability and open access
- Information for decision-making
- Information and its dissemination in civil society
- Ecological and sustainable tourism
- Urban ecology and planning
- Problems of education

Seminars and round tables:

- Historical Geoinformatics
School-seminar of young scientists «Prospects of use of information technologies for nature management optimization»
- A seminar «Digital cultural heritage and Geoinformatics:
• history of research and mapping of cultural landscapes of exploited areas,
• geoinformation provision of preservation of objects of cultural heritage,
• geoinformation provision of preservation of objects of natural heritage

For confirmation of full-time participation in the conference
Until December 1, 2013 sent to the electronic address of the organizing Committee:
1) a completed application form;
2) copy of the receipt on payment of the registration fee;
3) report in Russian and abstract (not more than 10 lines) in Russian and English languages that are designed in accordance with the requirements**.**

For publication of materials
Authors should send an e-mail of organizing Committee:
1) a completed application form;
2) copy of the receipt on payment of the registration fee;
3) the text made in accordance with the requirements.
The publication is subject to the advance payment of the registration fee.

Preparation and submission of reports
- The conference provided an opportunity to speak with oral messages.
- The contents of the report should correspond to the topics of the conference.
- The papers should contain original new material.
- Each author individually can't present more than 2 papers.
- All the materials are peer reviewed.
- The program Committee reserves the right to accept or reject the report and decide on the form of its presentation. Texts rejected reports not returned to the authors.
- Copies of reports submitted to the Organizing Committee before April 1, 2014. Texts sent later of the stated period will not be published in the materials of the conference.
 Requirements to the reports
- A total volume of the article is not more than 15 pages
- In the title of the text file should be the name of the author.
- Font Times New Roman; font size 10.
- Line spacing-1; indent 1 cm
Fields: top, bottom and right-2 cm, left-2,5 cm
- The title centered in capital letters, font Arial bold, size 11.
Space.
- Initials and names of authors on the next line in italics, font Times New Roman, size 10, centered.
- Organization on the next line as well.
City, country (you can address postal and/or electronic) on the next line as well.
Space.
- Title, authors, and so on. in the same order on English.
Space.
- Paragraph, the word Abstract in bold to the point immediately after the summary in English (1-2 paragraphs).
Space.
The text of the report.
- Red line (paragraph 1.25 m, width alignment.
